

ART range

ART MONOBLOC 350

Simplicity for large areas

ART

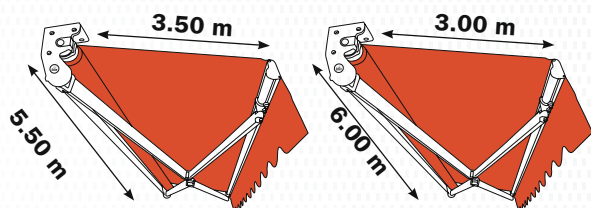

Description

This is an awning from the invisible arm range featuring the Monobloc system, a self-bearing square bar which enables the awning to cover large areas simply and effectively.

Ideal for installation

- On terraces
- In large areas

Dimensions

Mounting

- Wall
- Ceiling
- Between walls

Tension transmission system

This awning works with ART 350 ARMS which feature the internal ART SYSTEM tension transmission system with flat, flexible tape to improve tension transmission and extend the lifespan of the system.

Operation

- Manual
- Motorised
- Automated

Finishes

- Lacquer in accordance with QUALICOAT standards
- Stainless steel screws and bolts

Accessories

- Galaxia weather cover
- ART Crossed Arms Kit
- Sombrex System

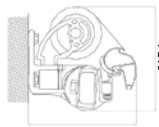

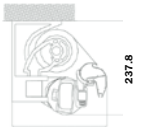

European standard classification: Class 2

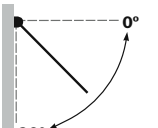

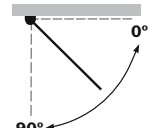

Features:

- Compact support elements improving the overall aesthetic of the awning.
- Easy application of the Monobloc system allows for simple installation of the awning mechanism on the 40x40 square bar.
- Incredible dimensions: with only one set of arms, the awning reaches a width of 5.50 m and a projection of 3.5 m. Additional arms can be added to extend the length of the awning as desired.
